## EL PASO

Colorado

# Compensation Study Results October 29, 2015 

Nicola Sapp
County Budget Officer

## Compensation Study

- For years El Paso County's compensation results have shown that El Paso County employees as a general percentage are paid well below the other ten large counties and other like kind agencies
- November 2013
- BoCC gave direction to perform a detailed Comprehensive Compensation Study to determine the extent of the inequity by individual position

## Compensation Study Process

- Employment Services requested each Department and Office provide a list of positions to be reviewed
- Upon receipt of those positions, Employment Services worked with Mountain States Employers Council (MSEC) and the individual Departments and Offices to review each job description to ensure an accurate comparison was achieved
- MSEC then identified comparable positions within the "Front Range Extra"
- Other ten large counties and municipalities who participated
- Potential corporate sector - for technical positions not comparable with other governments

## Compensation Study Components

- October 2015, the Compensation Study was completed for all Departments and Offices with the exception of Civilian Personnel in the Sheriff's Office
- That analysis is still under way
- A review of the detailed results is still underway with each Department and Office

## Compensation Study Results <br> Summary

- Reviewed 2,128 positions
- Identified 810 positions (or $38 \%$ ) are below minimum
- The percentages are as much as $32.6 \%$ below minimum
- The total annual amount of salary below minimum is \$3,520,503
- The survey also provides the impacts of the inequities to get to the salaries from a minimum level to a midpoint,
- Which is an additional $\$ 16.4$ million annually
